

The Columbia GRAFONOLA "Regent" — \$200

Here is the latest and last word in musical instruments.

Wherever people of refinement congregate, the field of entertainment and utility of the Grafonola "Regent" is practically unlimited—in the living room, the music room, the library, and in the rooms of clubs and lodges.

Genuine mahogany. Not a mere "concealed-horn" graphophone but a completely concealed graphophone.

BALLINGER IS ARRAIGNED BY ATTORNEY BRANDEIS

Senate Investigating Committee Told That Interior Secretary Is Unsafe Guardian for Public Domains

WASHINGTON, May 27.—In opening his argument before the Ballinger-Pinchot Committee, Attorney Brandeis, who has been called to arraign Ballinger, made a searching denunciation of the man he has called toward this case and said the only commandment the newspaper man seemed to obey was: Give us this day our daily bread.

Brandeis intended to inquire what commandment that was and Mr. Veitres replied: And I hunger.

The attorney

WASHINGTON, May 27.—In summarizing the case of the so-called prosecution before the Ballinger-Pinchot investigation committee to Attorney Louis D. Brandeis, counsel for J. B. Glavis, he said that he had been conclusively established that General in Ballinger was not a man so zealous devoted to the welfare of the common people as to blind and result in rendering the man in question of special interests that he may be solely depended on to carry forward the broad policy of conservation of our national resources.

That he is subject to far severer criticism we firmly believe," added Mr. Veitres.

Mr. Brandeis spoke for about two hours reserving his case for closing after Attorney Veitres had addressed the committee on behalf of Mr. Ballinger. It referred to Mr. Glavis as the ideal public servant and to Gifford Pinchot as a man of character so high as to even above the suspicion of self-seeking.

He vigorously defended the action of Stenographer Frederick M. Dodge, in sending public confidential information of the Interior Department bearing on the preparation of the Taylor memorandum and still to criticize Kerby for the fact involves a total misconception of the nature of our government.

SHOULD BE VIGILANT

The Secretary of the Interior, he insisted for the people of the public domain should have the ability to stand up against every one and should be vigilant, declared Mr. Brandeis. Would not this be subversive of our present Secretary, he asked. Ballinger, instead of being courageous, he inclined to assure himself to it not only in acts but in statements to be written or spoken.

This investigation has been referred to as a struggle for conservatism as against the special interests. It is this struggle for more than an essence of democracy that is struggling to prevail in the big politics as well as in the small. The American is entitled to equal justice. In the public service as well as in the country—that no effort is so high that it may not be made to the benefit of America. The man in Glavis, the cause of the conservation movement, may be responsible by the score of hundreds of thousands of government officials.

San Francisco's Lost Opportunity

San Franciscans must begin to realize the magnitude of the blunder they made when they voted down the proposed purchase of the Spring Valley plant. The latest developments clearly indicate that San Francisco will never get Hetch-Hetchy, and as the water situation worsens it becomes more and more evident that the city will never have another opportunity to acquire the Spring Valley plant on such favorable terms. Or any other water supply as cheaply, for that matter.

Final decision in the Hetch-Hetchy matter has been postponed for one year, but the condition on which the postponement was based destroys San Francisco's hopes. She must show that the possession of Hetch-Hetchy is absolutely necessary to affording the city an adequate water supply. That cannot be shown, for every person with any knowledge of the situation knows no such necessity exists. Besides Spring Valley, San Francisco has other available sources of supply, both in the Coast Range and the Sierra Nevada. Hence the further investigation by engineering experts will make San Francisco's claim more certain.

According to the dispatches from Washington, San Francisco will have until May 1, 1911, to show cause why Hetch-Hetchy valley should not be eliminated from the permit the government has given the city to develop a water supply in the Yosemite National Park. Meantime the municipality is to have detailed surveys made of the Eleanor watershed of the Hetch-Hetchy and other available sources and furnish such data and information as may be directed by the Board of Army Engineers appointed to act in an advisory capacity with Secretary Ballinger.

The purpose of this investigation is made clear by what Secretary Ballinger said to the San Francisco committee.

"I want to know what is necessary so far as the Hetch-Hetchy is concerned," said the Secretary in the course of his remarks. "What this government wants to know and the American people want to know, is whether this is a matter of absolute necessity for the people of San Francisco to have this water supply; otherwise it belongs to the people for the purpose of a national park, for which it has been set aside."

It is made plain here that an impossible condition has been attached to the gift of the valley. It is a condition that forces defeat on San Francisco at the outset. Yet it is a condition the San Francisco representatives accepted as just and reasonable, and was satisfactory to the opponents of the Hetch-Hetchy scheme. They were unwilling to deny San Francisco something that is an absolute necessity to her welfare, but they have all along contended that the valley was not an absolute necessity, and they are fortified with an abundance of expert testimony to prove they are right. It is a matter of common knowledge that San Francisco can get along very well without Hetch-Hetchy. Moreover, San Francisco cannot even show that possession of Hetch-Hetchy will give her water cheaper than she can get elsewhere. It is easily demonstrable that the purchase of Spring Valley was financially a far better proposition.

Nation-builders all over the country are up in arms against what they call the greed and vindictiveness of San Francisco. They have strong press support throughout the east, and are organizing to make their protest effective. Their influence must not be underrated, for their opposition springs not only from disinterested motives, but is inspired by a sentiment which appeals powerfully to the imagination. They are aided by a conviction in other States that San Francisco is asking the government to give its gratuitous assistance to a scheme to destroy the value of an enormous investment.

"Why should the government make San Francisco a present of natural property worth millions merely to aid in destroying the value of private investment aggregating many millions?" is a question that confronts the Hetch-Hetchy advocates at every turn. It is a question not easily answered. It has to be met with long explanations and discreditable statements which provoke recrimination and counter-charges of bad faith and unfair dealing; there is also the dragging in of local political conditions. After these things are done, of course, this question is asked: "Then why did you not buy the Spring Valley when it was offered to you?" That is a pose, for Spring Valley offered to sell a daily supply of 35,000,000 gallons a day, fully delivered, together with 87,000 acres of land and a distributing plant for \$25,000,000, while the reports of the engineers employed by the city show that it will cost even more to bring a supply from Hetch-Hetchy, and to this will have to be added the cost, estimated at \$10,000,000, of installing a distributing system.

Their impotency of showing that Hetch-Hetchy is an absolute necessity to San Francisco is coupled inability to show that the Hetch-Hetchy scheme is in the financial advantage of the city. The figures of politicians and demagogues explode when subjected to the calculations of experts who have carefully examined the matter. And when has the hard-headed to assert in Washington that San Francisco has a full right to Hetch-Hetchy and that dispute is beyond argument? As San Francisco cannot substantiate the statement on which her claim to the valley was based, the case is bare for species. Now she can realize what a mistake was made when the Spring Valley offer was rejected.

In asking the Board of Supervisors for authority to appoint two more deputies, District Attorney Fickert stated that the Langdon-Hickey administration had left a legacy of over 400 untried cases for his office to handle. Some of these cases, he stated, had been on the calendar for six years. Accused persons had been kept lying in jail for years awaiting trial. As a matter of justice, Mr. Fickert asked the Supervisors to allow him sufficient assistance to dispose of these long-delayed cases. It is significant that the only objection raised came from the Spreckels-Hickey remnant in the Board. Apparently, their obstinacy was dictated by a desire to perpetuate and aggravate a disgraceful condition of affairs, that Fickert might hereafter falsely be charged with the responsibility.

TO THE HONORABLE MAYOR
AND CITY COUNCIL, Oakland, Cal.

Gentlemen—The undersigned respectfully requests that your Honorable City enact an ordinance prohibiting the sale and use of fireworks, except for public exhibitions, in the city of Oakland at all times, including the coming Fourth of July.

We ask this for the reason that leading cities in the United States, including San Francisco, New York, Cleveland, Baltimore, Portland, Berkeley and many others, have by law restricted the use of fireworks to exhibitions under city regulations at set places.

We ask this that the sacrifice of life and property, a burden upon the whole country, may cease; that the lives of our children may be preserved, our property safeguarded, and that our patriotism and love of country may be shown in a safe, reasonable and less hazardous manner.

PADDLED PAYROLLS RESULT IN ARREST

Officials of Two Counties Seek
Paymaster---Warrants Are
Sworn To.

LOS ANGELES, May 27.—Officials of Kern and Inyo counties, armed with warrants of arrest, are searching the Owens River aqueduct camps for several Indians who are charged with padding payrolls.

The warrants were issued after the arrest and conviction of T. C. Heberle, who was indicted in 1908 to rob the Indians by giving fictitious names to the theological seminary.

According to Heberle, the chief estimator is one of the paymasters, but he was compelled to let others in on the secret in order to protect himself. The payrolls and the board rolls in the Indian houses were made to tally by the same operators.

Heberle says that funds were stolen from the paymaster that the city has lost very little. After issuing fraudulent paychecks, the conspirators appeared to be mixed to cash them, and it was the fact that a number of checks were outstanding that first aroused suspicion.

THE FOLLY OF CARELESS PIANO BUYING

Buying a Piano without thorough fully measuring and investigating its merits, without knowing to a certainty the character of its makers, the materials used in its construction, and its reputation for durability and permanent usefulness, is an unwise and dangerous experiment.

Most Pianos look much alike, and to the unskilled buyer sound much the same. Differences in case design, in ornamentation and general appearance, have, unfortunately, little bearing on the real quality of the instrument, and an extravagantly embellished case usually is a mark of indifferent quality.

Always our aim has been to supply our buyers with the best possible Pianos at the price which they feel they should pay, giving a value that is as good as can be had for the money expended in any city in the United States, and backing the Piano purchased with a guarantee that insures satisfaction for all time. We invite a most careful scrutiny of our Pianos, because each and every instrument is built to stand a most searching investigation and thereby to prove its quality.

Save for the addition of eastern freight, every Piano on our floors is marked at the same identical price at which the same instrument would sell on the retail floors of its manufacturer. Terms for easy monthly payment may be arranged if desired.

DISPUTE OPENS THREE-DAY MEET

Records-Go and Excitement Is
Present at Indianapolis
Auto Races.

INDIANAPOLIS, May 27.—All Butch and Jackson cars entered in the three-day race meet that opened today at the Speedway were withdrawn before the first event was called and the refunding of the entrance money was demanded, because the technical committee had been several days in charge that they were not properly classified. The managers, together with the management of the speedway and officials of the A. A. A. The managers of the Butch and Jackson cars decided to allow their entries to stand.

The first event run was for ten miles. Harry Marmon won. Time, 9:16.5. With a sensational burst of speed in the eighth, Kinney (National) won the second event, five miles, 9:19.5. Kinney also won the American record by forty seconds. Ten miles, Arden (National) won, five miles, Chevrolet (Packard) ran away from the field and won easily in 10:17. The time leaves the previous Arden record, which was 10:18.

Five miles, free for all handicap, Green (National), scratch, won. Time, 10:19. Five miles, free for all handicap, Green (National), scratch, won. Time, 10:20. Five miles, free for all handicap, Green (National), scratch, won. Time, 10:21. The most exciting race of the day was the free for all five miles, which was a race to the home stretch between Burman (Packard) and Bruce (Pinto), the former winning by 30 yards. Haroun (Marmon) was third. Time, 10:24.

PROTEST ENTERED TO EXTRA COST OF OIL MACADAM

City Engineer Suggests to City Council That Municipality Should Pay Part.

OBJECTIONS MADE TO GRANTING EXTENSIONS

City Fathers and School Board to Go On a Site Reviewing Expedition.

There were just a few words spoken about water at the city council last night and that was when Steffey announced Engineer Wilhelm had a report to make concerning the protest made by the consumers on Peralta Heights.

"Mr. Wilhelm was here and waited until 8:45 for the council to meet," said Steffey, "then he had to go away. He asked me to state to the council for him that the Pacific Water Company would immediately relieve the conditions by increasing the pressure and enlarging the mains. He regretted that he was unable to be present at the last meeting."

The individual members of the council were urged by President Pendleton to accept the invitation of the Board of Education to accompany the members of that body on a tour of inspection of the various sites suggested for school purposes to be purchased out of the proceeds of the proposed bond issue.

VISIT TO SITES.

In a communication from Superintendent McClymonds it was announced that the tour would start from the city hall on Sunday morning at 9 a. m. It was suggested in the communication that these members of the council having automobiles would be helping a good cause if they brought them along to facilitate travelling from place to place about the city. Upon the suggestion of Elsworth the clerk was directed to inform the public that the objects from the "municipal supply." This is taken to mean that the various machines in the service of the city will be pressed into use on next Sunday morning for the use of sometime and the members of the Board of Education.

PROTEST ENTERED.

The following protest was received from the East Oakland Heights Improvement Club:

East Oakland, May 25, 1910.

To the Honorable City Council of the City of Oakland.

The East Oakland Heights Improvement Club, deeming the matter to be of importance in the district which they represent, desire to call your attention to the long delay that has ensued in the improvement of Cameron street, from Thirteenth avenue to East Fourteenth avenue, and this club, which has recently gone on record protesting against the practice of granting long extension of time to street contractors, again protests against any extension being granted for the completion of said work on Cameron street.

Respectfully submitted,

EAST OAKLAND IMPROVEMENT HEIGHTS CLUB,

W. E. Rode, Secy.

SENT TO CONTRACTOR.

Cobbledick stated that the people of that section had been striving for the past three years to have the street improved and that they were anxious to have the work completed before the winter set in. As the contractor had not done his work up to the time of extension of time, nothing could be done with the protest. At the suggestion of Pendleton the clerk was directed to send a copy of the protest to the contractor as an intimation of what might be expected in the event that he depended upon the possible favorable action of the council in the event he was inclined to procrastinate with the job.

OIL MACADAM.

The following communication from the City Engineer was referred to the street committee:

May 24, 1910.

The Honorable City Council, Oakland, California.

Gentlemen: It is reported to this office that many property owners who are considering the macadamizing of their streets object strongly to placing the difference in cost of plain macadam and oil macadam laid in accordance with our present specifications. This difference amounts to two or two and one-half cents per square foot. As we have never conducted enough experiments to determine the minimum amount of oil and extra labor necessary to accomplish the desired results, it is possible that our specifications are over-exacting in this respect. Furthermore the greater part of the old streets have been improved with plain macadam, so that the sudden increase in cost of street work appears to be a discrimination against the newer districts.

CITY PAY EXTRA.

In view of these facts and also in view of the saving in water and repair bills accompanied by the use of oil, it seems to me no more than fair that the city should share to the extent of the cost of oiling old macadam streets. I therefore suggest that in future specifications they be permitted to call for one oiling only, the second, or surface oiling, if found necessary, to be done by the city. This first oiling at a cost of about one per cent per square foot, would cover the main body of macadam, so it would be found the oil does not work up easily and give a smooth, brilliant surface, the lightest possible coating of oil, supplied by the street department, would complete the work at an expense to the city less than the cost of surface oiling on old street.

Respectfully submitted,

F. C. TEEHER,
City Engineer.

PASSED TO PRINT.

The ordinances establishing grades on upper Broadway and the grades on Fourteenth street as well as fixing the curbs on the latter thoroughfare, were passed to print under a suspension of the rules. A resolution of intention to pave Seventh street between Broadway and Franklin was referred to the street committee.

The petition of private owner to sewer certain section of Fifty-third street by private contract was granted under a suspension of the rules.

A deed dedicating a certain portion of Hyde street at Bridge street was referred to the City Engineer.

A communication from the City Engineer in regard to the establishing of the grades on Fourteenth street was referred to the street committee.

Under suspension of the rules a resolution applying \$102 for the defrayment of the cost of an automobile for the Board of Public Works was adopted.

The council took adjournment until the first Monday in June.

AFTER FOUR YEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though a new life had been given me and I am recommending it to all my friends."—Mrs. W. F. Poro, 2207 W. Franklin St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and successfully used than any other female remedy. It has cured thousands of women who had been troubled with dyspepsia, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, rheumatism, that bearing-down feeling, flatulence, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Lydia E. Pinkham, Lynn, Mass., for it she has guided thousands to health, free of charge.

HAPPINESS SHORT LIVED

Having the marriage, the Aokis went to a church in Washington, where the minister announced he intended to say nothing. He led the bride with his mother to the pulpit, and then turned his back to the congregation, and the minister said, "The bride is a woman of great beauty, and the young wife is looking very well, and I estimate that she will be successful in her new life."

UNDER ASSUMED NAME

An American woman who had married a Japanese man and was accused of being a spy, and obtained the services of the Rev. Lloyd D. Thomas, an American, and the two were married in a secret ceremony. They are now in Japan, and are known as Mr. and Mrs. Lloyd D. Thomas.

GRAY HAIRS BANISHED

The old idea of using sage for dyeing the hair is still in vogue. Our grandmother used to dye her hair with the root of sage, and it was a common practice. Mrs. Deacon, however, has a special dye for her hair, which she has found to be very effective.

HEART--TRIBUNE'S PAGE FOR WOMEN--HOME

MRS. FRANCIS BOGLAND DAVIES will entertain tomorrow afternoon at her home in Santa Clara avenue, complimentary to Miss Ada Louis Hall, who is to be some guest of honor at the annual meeting of the San Francisco Society next month. Mrs. Davies is the daughter of William Bogland, a prominent San Francisco general and one of Mrs. Davies' closest friends. She is a genuine, charming girl with a dozen old friends of names that have gathered her to a host of friends. Mr. Chapman is associated with a large insurance firm in San Francisco, where he has resided for the past ten years or so. This is his first meeting of the Society since he moved to San Francisco from his home in Oregon.

Among the guests invited will be Miss Fannie Stetson, Miss Sophie Caudron, Miss Anna Louise Holden, Miss Alice Holden, Miss Louise Holden, Miss Sarah Holden, Miss Evelyn Benda, Mrs. Alma Cowell, Miss Florence May, Miss Lucy Orr, Miss Muriel Evans, Miss Carl Dovers, Miss Ethelma Evans, Mrs. W. Pendleton.

COMPLIMENT TO SISTER.

Mrs. Harry W. Bishop entertained today at abridge party at her home in Alice street, complimentary to her sister, Mrs. Ernest Greenough, who will leave about June 10 to join her husband, Captain Greenough, in Denver.

Thirty-five guests were invited to meet the charming guest of honor and the hostess was assisted in receiving her guests. Miss Anna Louise Holden, Mrs. Alice Holden, Miss Louise Holden, Miss Sarah Holden, Miss Evelyn Benda, Mrs. Alma Cowell, Miss Florence May, Miss Lucy Orr, Miss Muriel Evans, Miss Carl Dovers, Miss Ethelma Evans, Mrs. W. Pendleton.

MISS HOLT TO WED.

Miss Clara Holt, who is well known throughout the little circle of Ruth Lohman, is to be the bride of Ruth Lohman in a wedding to be performed Saturday afternoon in the Swedish organ room, San Francisco.

The ceremony will be held a few days after the engagement, which was given in San Francisco, and the bride will be accompanied by a few of her friends. The bride is a daughter of Doctor Holt, and Miss David Lyle McKee, who

MRS. ERNEST GREENOUGH, who was guest of honor today at a card party at which her sister, Mrs. Harry Bishop, was hostess.

MISS MARY HOLT, the family home at Mountain View, but the little-teenager is a favorite in the local set. After a brief wedding journey the young couple will reside at Mountain View.

PLAN EXTENDED TRIP.

Miss Mary Shaffer and Miss Tolula Lee are leaving for New York early next month. Miss Le Conte will remain in New York until October before going to Paris, and while she is in the Eastern city Miss Shaffer and several other Berkeley and San Francisco girls will make a California party for the summer and early fall there.

GOING TO PALEO ALTO.

Miss Mary Shaffer and Miss Tolula Lee are leaving for New York early next month. Miss Le Conte will remain in New York until October before going to Paris, and while she is in the Eastern city Miss Shaffer and several other Berkeley and San Francisco girls will make a California party for the summer and early fall there.

HONEYMOON IN SOUTH.

Mr. and Mrs. Ralph Palmer Merritt, Vina, Moreno, are taking their honeymoon in the South. On their return Mr. and Mrs. Merritt are to make their home in Berkeley.

The wedding of this popular young couple was an event of last Saturday evening.

TO SEE PASTORAL PLAY.

Among the Oakland society folk who are attending the pastoral play, friends and close guests at the new Mayne's engagement of "As You Like It" in the DeMolay hills at the terminus of the Dixie Route, will be the following:

Mr. and Mrs. Ernest Folger, Mr. and Mrs. Frederick Stratton, Mr. and Mrs. H. C. Taft, Mr. and Mrs. Alton M. Babcock, Mr. and Mrs. George R. Babcock, Mr. and Mrs. Hayward Thomas, Dr. Lemuel P. Allen.

MRS. STONE TO ENTERTAIN.

Mrs. Edith Stone has sent out cards for the afternoon of June 24, asking about twenty friends to be her guests at luncheon over which she will preside for the benefit of the Alameda Club, the proceeds of which Mrs. Charles Houghton's president have been included in the list of invited guests. The luncheon will be followed by bridge, and later in the afternoon the guests will enjoy a cherry feast.

TO ENTERTAIN WEDNESDAY.

Mrs. Ethel Hall will entertain the members of the local chapter of the Young Men's Christian Association on the evening of June 29, at an informal bridge party to be given at her home in West Oakland.

The club was organized recently by a group of young matrons and girls who meet occasionally for luncheons and bridge.

The members are Mrs. Maurice Walsh, Mrs. Frederick Snowden, Miss Edith Stone, Miss Evelyn Adams, Miss Carmen Sutton, Miss Jessie Craig and Miss Clara Folger.

MRS. HALL IN MOURNING.

Local news from Honolulu brings the information that W. W. Hall, father of Seymour Hall, who married Miss Ruth Houghton last winter, died very suddenly in that city Monday. Deceased was of the firm of E. O. Hall & Co. and was one of the prominent business men of the Islands.

Mr. Seymour Hall, who received a most cordial welcome and soon became one of the most popular young matrons in the Islands, will as a consequence be plunged in mourning. Mr. and Mrs. Charles S. Houghton will go to Honolulu to call on their daughter.

LEAVE FOR EAST.

Mr. and Mrs. E. O. Hall, who left yesterday for the East, where they are planning to travel about three months. They will spend a month or so with relatives and friends in New York before continuing their journey through the Eastern States. The Benson home on Monte Vista avenue will be closed during the absence of the family.

JUNE WEDDING.

The wedding of Miss Helen Sutton and

‘THIRTEEN’ Woman Serves on Jury

Sits in Box Fifteen Minutes—Wants to Try It Again.

NEW YORK—Mrs. Marie Pendleton, a young Baltimore girl, who came to New York on February 18, to become a member of F. Ziegfeld, Jr.'s musical revue, "Follies of 1910," is anything but superstitious. On March 18 Mrs. Pendleton was introduced to Marc Jaleaux, a wealthy Cuban planter, who a few minutes later concluded he was smitten of the Baltimore girl and at once proposed marriage.

"This is so sudden," Miss Pendleton smilingly replied, "but I am interested and will give you a definite answer within a month."

The counter offer was satisfactorily to the Cuban, who a few days later called for Paris. On April 13, Miss Pendleton decided she was willing to make a matrimonial contract with Jaleaux and called him accordingly. They left, May 13, the engagement was announced and the wedding is to take place on the evening of June 13, just two hours before Miss Pendleton will make her professional debut as an actress in the "Follies of 1910," which title, by the way, is made up of thirteen letters and figures. It also requires thirteen letters to spell the name of her manager, Flo Ziegfeld, Jr., and Miss Pendleton was born on the thirteenth day of the month. She asserts that if she is successful on the stage she will continue with the organization.

Fifty Girls Rode in Big Wolf Drive

KANSAS CITY—With fifty girls upon horseback, all in bright holiday attire as an added feature to their second wolf drive within the past three weeks, the line captains of the raw professional wolf hunters of Washington township, Jackson county, were enabled to draw out a much larger following in their second drive, making in all about 300 men and boys and as a result two more gray coyotes were added to the glory of the organization.

With the experiences of the last drive still fresh, the hollow square formation which covered an area of about five square miles, was much more quickly formed and the line of advance was kept much more even. One coyote is known to have escaped. To Arnold Talley of Hickman Mills and Edwa J. Johnson of Grandview is given the glory of driving the shots that killed the coyotes. Ed and Harry Duck acted as auctioneers and both coyotes were sold to Hayward Hagerman of Kansas City. The skins are to be made into a rug as a trophy of the hunt.

At noon the hunters went to Hickman Mills, where over Ed Moore's general store, the Ladies' Aid Society served a dinner. The receipts will go to the general school fund of Jackson county.

MRS. PAULDING FOSDICK, who aspires to entertain Newport society.

NEW YORK, May 27—Mrs. Paulding Fosdick, who before her recent fashionable wedding was Miss Katherine Yekum, the daughter of Benjamin F. Yekum, the New York millionaire, has purchased one of the magnificent new villas on Park Avenue and will entertain a number of distinguished house parties during the summer social season.

Mrs. Fosdick, who is a woman of undeniably charm and beauty, is immensely popular both here and abroad. Her sister, Miss Bessie Yekum, is one of the season's favored debutantes and the young matron is planning any number of smart affairs in her honor. The younger girl is of the petite, blonde type but despite her seeming frailty, is a formidable athlete of no insignificant prowess.

Oldfield Has Narrow
Escape From Death

FRUITVALE, May 27.—The present officers of the young division of City Turner are planning extensive improvements for the coming year. The first item to be considered is the purchase of the most important fixtures and consideration as to the paving of the Fruitvale Street, for the Metro and the grand opening and closing of Hopkins's room at the Kite Room in Union Triangle.

Only its over 1000 feet will be necessary before Hyde street, and the bridge can be improved with a new one, another over 1000 feet long before then. Then it can be graded and paved. It is planned to construct a storm sewer from the football field to the Petaluma creek, by way of the 10th Street. Comstex's intent is to pave the annual floor of the school in that section.

It is estimated that the improvements planned in the Petaluma Valley this year will cost more than

of the Fred Becker Markets

Nothing but the fattest, choicest and most tender GOVERNMENT INSPECTED MEATS are sold by us—and at PRICES THAT BAR COMPETITION.

We have been established in this city for 34 years. Our business has grown to be the largest of its kind, therefore our buying capacity is such that even that alone would warrant our selling meats at a much lower price than our competitors, whose trade is much smaller than ours.

We Invite an Honest and Thorough Inspection

Walk through either of our markets any day and you will see the same thorough, sanitary conditions prevailing that are so absolutely essential to the safeguarding of the public's health. Everything appertaining to our business is spotlessly neat and clean. Too much care cannot be exercised governing the meat one eats and we think we are well nigh perfection on that score.

Our reputation for carrying ONLY THE BEST MEATS, combined with HONEST VALUES, has made our business what it is today and it is now a universally accepted fact that

FRIENDS FALL OUT
IN CONTEST FOR
FETE QUEEN

San Leandro Social Circles
Grow Frigid in Fight for
Favorites.

MISS WILSON LEADING:
SURPRISE PROMISED

Alta Mira Club Withdraws the
Names of Members Entered
for Honors

SAN LEANDRO, May 27.—The exciting contest for queen of the cherry festival of June 10 and 11 has proven a bomb in the camp of the social leaders of San Leandro and is playing havoc with the friendships that formerly existed between the various aspirants for royal honors during the two days of feasting.

Friends are galvined to support of their favorites with such zeal that social clubs are being drawn into a political camp, one siding with one member friend and one siding with another. The standed averages of the city of Chelmsford is now forgotten when the blocks of rival candidates meet in public and the two leaders of the contestants are at war. The result of the fuss that marks the political campaign has been injected into the race, and still the outcome is only a matter of conjecture. The public, however, is a more even dare predictor who will reign on the eventful day of the opening of the carnival.

Miss Virgie Wilson has been in the lead by more than 3000 votes during the entire week, but both she and Miss Mabel Furtado are holding back thousands of votes. The result of the contest is still a mystery, and neither is sure of the amount that is being played for by her rival.

The Alta Mira Club, one of the most exclusive social organizations in the section, which has year succeeded in placing one of its number, Miss Bessie Best, now Mrs. Charles Manning, on the queen's chair, has withdrawn the names of its members from the contest, and is now taking no active part in the contest, its ranks being divided on the support of the two candidates who are supported by the club.

Miss Wilson, who is the favorite, is supported by either of the

printed candidates.

The official count of voter yesterday showed the following result: Miss Virgie Wilson, 12,601; Miss Mabel Furtado, 5,898; Miss Alice Smith, 3,32; Miss Catherine McCay, 1,63; Miss Ruth Vaughan, 2,7.

Judge Brown to Deliver the
Address at Union High
School Tonight.

CENTERVILLE, May 27.—Judge Everett J. Brown of the Alameda county Superior Court will deliver his address of the evening at the graduation exercises to be held in the Centerville high school to be held in the town hall. "What the Present Age Offers to the High School Graduate" will be the theme of Judge Brown's address.

Rev. James Curry will open the program with an invocation, after which causal selections will be given by Mr. and Mrs. R. O. Miller of the high school faculty. Numbers will also be rendered by a quartet composed of Messrs. Sumner, Blacow, Clark, Moyle and Dunster. J. C. Shinn of the board of high school trustees will then present diplomas to the following students:

George Angus, Helen Baldwin, Clara Bond, Ethel Carr, Carlita Lang, Anna Lernhart, Alma Morris, Helen Sharpe, Alyce Smart, Anna Vaughan, Sumner Blacow, Harold Bondur, Lloyd McRae, William Peters.

BELL AT LIVERMORE.

LIVERMORE, May 27.—American citizenship and the great opportunities of the present century was discussed last night by Theodore A. Bell at the commencement exercises of the Livermore Union high school held in the Sweeney opera house, when one of the largest classes in the history of the institution was graduated. Miss Lorraine Wagnon received the class medal. Specialized distinctions were given by Miss Marguerite Mack, Miss Edith Connell and Anthony O'Donnell. TELEGRAPH POLES'
REMOVAL SOUGHT

Thirteenth Avenue Property
Owners Urge Underground
Conduits.

In response to numerous appeals on the part of the property owners of Thirteenth avenue to remove the telegraph poles before the work of repaving begins, D. F. Fullerton, superintendent of the Pacific States Telephone and Telegraph Company, appeared at a special meeting of the property owners called last evening by Councilman R. C. Vose in Cameron hall, East Sixteenth street and Thirteenth avenue. Fullerton was accompanied by E. B. Griffith, attorney for the corporation, who said that the poles could not be removed at the present time.

As a result a motion was made by one of the property holders to the effect that the poles on the streets be removed by the telephone company places the conduits under ground on the avenue. A promise was made by Fullerton that the poles will be taken down within a reasonable time. He said that an appropriation had been made by the corporation to place the conduits underground.

Councilman Vose declared that if the poles were not disposed of within a reasonable time that the city council would order them off the streets.

How to Keep Wicker Furniture Clean

One of the biggest troubles with wicker furniture is to keep it looking clean and bright. Once the dust and dirt settle in the crevices of the wicker-work, it looks dingy and shabby. However, an easy way to restore the brightness to this sort of furniture, is to wash the cane-work with hot suds made by dissolving a tablespoonful of Gold Dust washing powder in a pail of water. Apply the suds with a sponge until the cane is thoroughly soaked and leave in the fresh air until dry. This is also a good way to restore the color and elasticity to cane-seated chairs.

FREEHOLDERS' PRIMARY DECLARED FOR JUNE 14

Pardee's Petition to Be Placed on Ballot Makes It Obligatory to Comply With the Law

The primary election for freeholders will be held on June 14 as determined by the City Council last night in view of the fact that there was no way out of it and thereby saving the expense.

The primary polling places will be fifty, even in number and located at the same places as they were placed at the annexation election. The compensation of election officers was fixed at five dollars each and the number to four at each place.

C. Attorney Stetson declared that as a petition had been filed by a certain candidate for freeholder the primary would have to be held.

Cottolene suggested that it ought to be made an informal affair with a polling place in each ward and two in the seventh. In this way the expense could be obviated.

LAW JUMPS IN.

That is where the law came in again according to the city attorney in that it required that more than three precincts could be consolidated.

The requirements that eight each polling place at general elections could be reduced one half at a special election.

Edsorth thought that the price of ten dollars for the rental of each tent used for polling places was exorbitant, but he was assured by Secretary of the Board of Public Works, Walter Fawcett, that the work of handling them to and from and putting them up as well as removing them were items that had to be considered.

The rent of stores at the regular elections varies from eight to ten dollars and in some instances Fawcett said he had secured bargains in that line and for that purpose as low as five dollars.

The resolution calling the primary and fixing the day as well as ten additional resolutions appropriating the amounts required to be expended in holding the same were adopted under suspension of the rules.

STETSON'S OPINION.

The opinion of the city attorney read to the council in the matter of the primary is as follows:

May 23, 1910.

Frank R. Thompson, City Clerk, Oakland, Cal.

Dear Sir:—You have referred to me the question: Is the council obliged to call a primary election for nomination of candidates for the office of freeholder to be elected July 6, 1910?

If such primary election is held it shall be held on Tuesday, 14th day of June, 1910 (Section 3 Primary Election Law), in order that the candidates may have the necessary time to file their nomination papers at such primary election he must have filed his nomination papers as provided by the primary election law before the first day of June, 1910 (Section 5). RHEUMATISM CURED AT LOS ANGELES

The Patient Suffered Terrible Agony, Fingers Were Swollen to Twice Their Normal Size and Even the Heart Was Affected.

The cure of Mrs. E. M. Bowles, of No. 1717 Highland Court, Los Angeles, Cal., of a very severe case of rheumatism is sufficient reason why any sufferer of this disease should give Dr. William's Pink Pill a thorough trial. She says:

"As a result of several attacks of the grip I was finally left in such a condition that I fell a victim of inflammatory and muscular rheumatism. The attack came on suddenly and settled in my arms, shoulders and limbs from the knees down to the feet. My heart soon became affected. I was obliged to go to bed as soon as I was taken sick and for over two months I was helpless. The pains were terrible and drew my arms up tight to my sides. My fingers were swollen to nearly twice their natural size and I could not pick up my handkerchiefs even. I couldn't feed myself or bear to have the sheets touch me. My feet were swollen and sore and gave me great pain. I had terrible pain in my head which the doctor said were rheumatic and there were frequent pains in my back."

"My home was in Canada, and a doctor in Toronto treated me for over a year. Then I gradually stopped using his medicine until I quite ceased. I was able to get up from the bed for a few minutes only and had to be helped in everything I did. While in this condition a friend urged me to try Dr. William's Pink Pill. In a few days I noticed they were helping my back. The terrible pains began to go away and I felt better generally. I improved so much that I was able to sew and finally was able to do all my housework. I have been in the best of health since taking Dr. William's Pink Pill and can recommend them very highly for rheumatism."

If you have failed to get relief from your rheumatism, you cannot afford to neglect giving these blood-making pills a trial.

Dr. William's Pink Pill have also cured anemia, chlorosis, general debility, after-effects of the grip and fever and should be given a trial wherever a tonic for the blood and nerves is needed. Our booklet, "Diseases of the Blood," will be sent free upon request.

Dr. William's Pink Pill are sold by all druggists, or will be sent, postpaid, on receipt of price, 80 cents per box; six boxes for \$2.50, by the Dr. William's Medicine Company, Schenectady, N. Y.
